

CARDIFF SUMMER SCHOOL

DO YOU WANT TO IMPROVE YOUR USE OF ENGLISH?

Cardiff Summer School is designed for students (age 15-19) wishing to improve their English skills prior to joining an academic course in the UK.*

Our courses are designed to cover a range of abilities from beginners to the more advanced. Our experienced staff organise a four week course depending on the skill level of the applicants. Students are also taught terminology used in maths and science subjects used in the UK. This is an excellent preparation for UK Boarding Schools, GCSE's, A-Levels and the IB Diploma.

Cardiff is a vibrant, culturally diverse city which offers all the amenities expected in a national capital –

- Cardiff has restaurants, shopping centres, museums, art galleries, concert halls and lots more.
- The college campus is within easy walking distance of the city centre.
- The city is approximately 30 mins from Cardiff airport and 40 mins from Bristol airport.
- Major London airports are easily accessible by road and rail.
- Visits to historic landmarks will be included in your course.
- Accommodation is provided in either single or twin rooms.

Cost = £900 a week

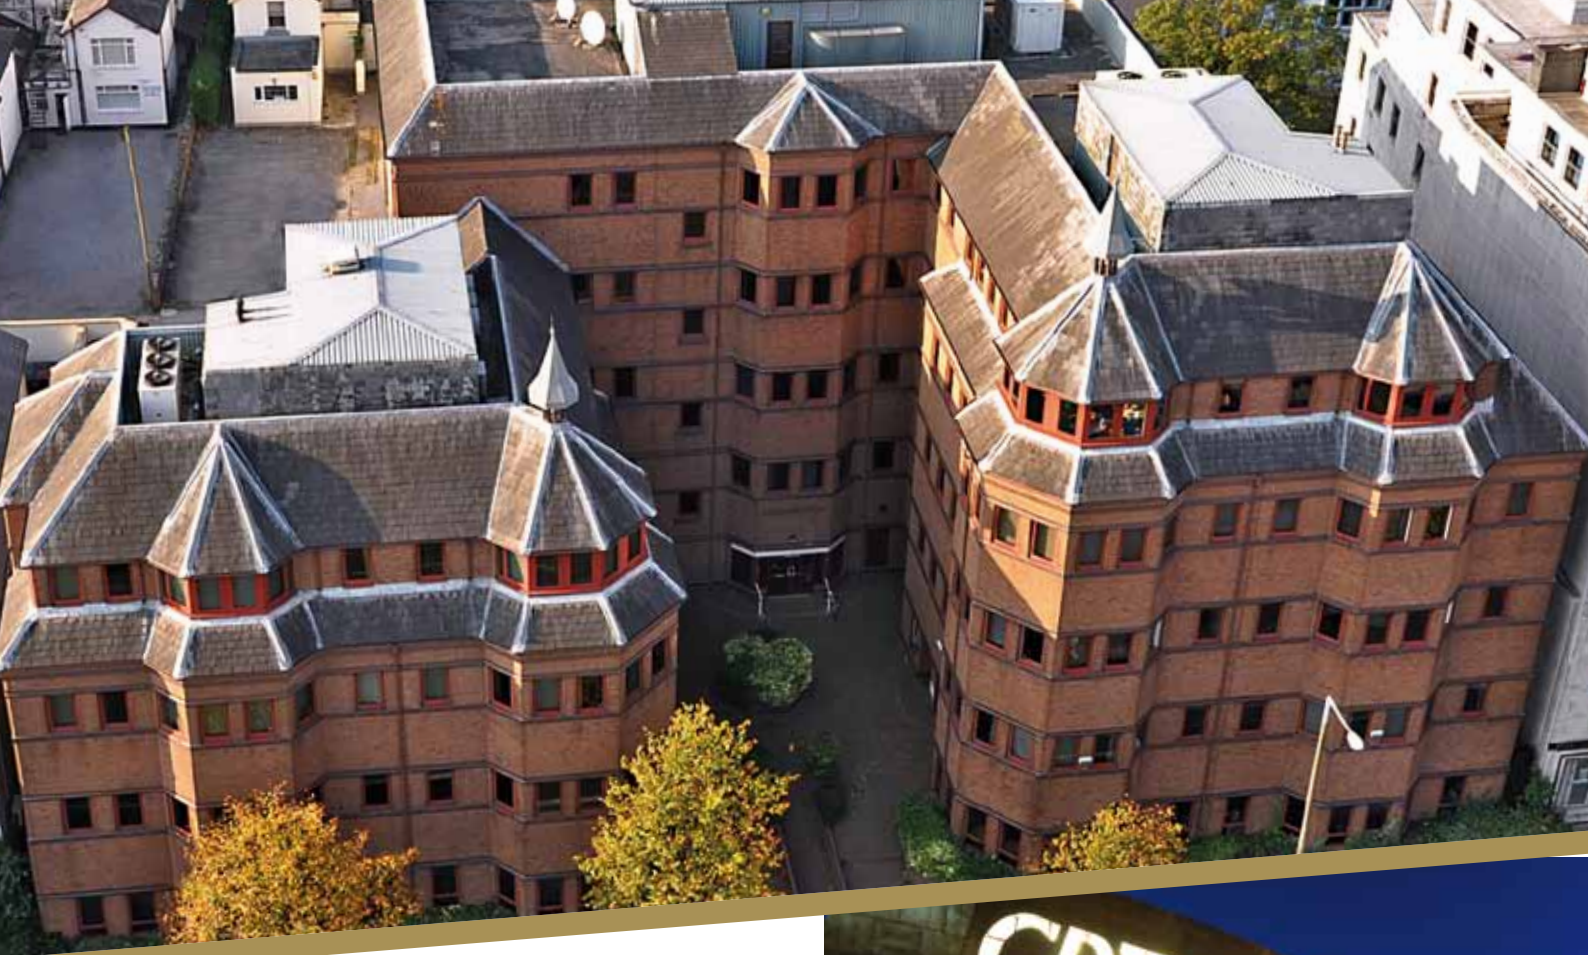

Includes: teaching, teaching material, accommodation, food, laundry, activities, excursion and transfers from the airport.

The college has a first class reputation for delivering academic success, so why not come to Cardiff to share in that expertise while getting to know a new city and making new friends?

*The college reserves the right to include attendance on this course as a condition of entry for international students applying for GCSE/A level courses.
