THE STUDENT'S
GUIDE TO MAKING
INTERNATIONAL
PAYMENTS WITH
FLYWIRE

STEP 1: GET STARTED

- Visit www.flywire.com.
- Use the search box to select your school & click the blue Get Started button.

The screenshot shows the flywire website homepage. At the top left is the flywire logo with 'by peerTransfer' underneath. To its right is a green button with a graduation cap icon and the text 'PAY INSTITUTION'. Further right are links for 'English', 'How It Works', 'Help', and 'Login'. The main heading reads 'International payments made easy' with the subtext 'Convenient, secure, trusted by payers worldwide'. Below this is a search box containing the text 'Select your institution' and a blue 'GET STARTED' button. To the right of the search box is a photograph of a smiling woman with a purple turtleneck and a black backpack, holding a folder. Below the main heading is a 'How it works' section with a diagram showing a flow from 'Send your funds to us' to 'We'll deliver them for you' over a globe. The diagram includes a flywire logo in the center and a 'START YOUR PAYMENT' button at the bottom.

Why pay through Flywire?

- Eliminate hidden bank fees - ensure your institution receives the correct amount.
- Save on exchange rates - in most cases you can make a payment in your home currency. Flywire will process the currency exchange - offering you wholesale exchange rates, unmatched by traditional banks.
- Peace of mind - 24 hour multilingual customer support when you need it most. Know where your payment is in the bank transfer process.

STEP 3: SELECT PAYMENT TYPE

Based on your country selection Flywire will automatically display your local currency rate with the appropriate payment options, such as traditional bank transfer or debit/credit card payment.

- Traditional bank transfer (also known as a wire) is the most cost effective method. Please note that to complete the payment you will need to make arrangements with your bank (in-person, online, or over the phone) and send your funds to Flywire in your chosen currency.
- Debit/credit card will allow you to make an online payment in your home currency. Contrary to a traditional international credit card payment, with Flywire we are handling the foreign exchange so you will know the exact amount that will be deducted from your account before making your payment. Please note that credit card payments are not available in every country.
- Flywire will then convert your currency and pay your institution.
- If you have an account in a different currency that you would prefer to use, select that country in the “what country are you paying from” field instead.
- If you select your home country, but you don’t see your home currency, not to worry — you can always pay in the currency of your institution or select a different currency. The process and benefits will remain the same, however, your bank will handle the foreign exchange before sending the funds to Flywire.
