2021/22

“

Excellence is an art won by training  
and habituation... We are what we  
repeatedly do. Excellence, then, is  
not an act, but a habit.

”

THE STORY OF PHILOSOPHY, WILL DURANT

PROSPECTUS

## CARDIFF SIXTH FORM COLLEGE

THE UK'S LEADING INDEPENDENT SCHOOL

Among the UK's best schools, Cardiff Sixth Form College stands out as unique. Specially designed for ambitious, able, and hardworking students, the College offers world-class teaching alongside exceptional facilities to help pupils win places at the best universities in the world.

Rated the top private school in the UK, the college has been number one in national A-level results over the past 11 years, with 98% of students achieving A\*-A grades and 100% A\*-B in 2021. We encourage students to reach beyond their academic horizons and strive for high achievement: This year 89% won places at QS100 universities worldwide and 42% went onto G5 universities – Oxford, Cambridge, Imperial College, London School of Economics, and University College London with 34% going on to study Medicine and Law.

With over 40 different nationalities among our student body, we are also a truly international community of learners.

The college provides an excellent bridge between school and university, with pupils encouraged to develop independent learning skills and a mature approach to both study and day-to-day living.

Throughout this prospectus (and our website, [www.ccoex.com](http://www.ccoex.com)), you will learn about the remarkable benefits our students enjoy and the immense rewards they can expect as a result. If you like what you see, please do get in touch with us and find out for yourself what Cardiff Sixth Form College has to offer.

Gareth Collier  
Principal

# WHY CARDIFF?

**Our academic results are among the best in the world.**

There are many reasons why Cardiff Sixth Form College pupils go on to achieve great things. Among them are the friendly, multicultural atmosphere of the college and the culture of scholarship supported by our world-class teaching team. This means the pupils can expect:

- Individual or small group tuition and mentoring
- Almost double the number of teaching hours per subject than other schools
- Expert instruction, with many teachers having served as examiners or inspectors
- Close monitoring of progress
- Dedicated support for university applications

## CONSISTENTLY WORLD-CLASS

Top school in the UK over the past nine years for A Levels (*Daily Telegraph, The Times*).

| Year | A* - B(%) | A* - A(%) | A*(%) |
|------|-----------|-----------|-------|
| 2021 | 100       | 98        | 91    |
| 2020 | 100       | 99        | 74    |
| 2019 | 99        | 90        | 52    |
| 2018 | 96        | 88        | 54    |
| 2017 | 99        | 92        | 64    |

For the last 11 years:

- The only school in the UK averaging over 90% A\*-A
- The only school with an average A\* achievement of over 55%
- The only school with an average of 99% A\*-B grades

For ten out of 11 years, the College has been listed as:

- Top Private School in the UK
- Top Private Co-Educational Sixth Form
- Top Private Sixth Form College for A-levels in the UK

(Source: *The Education Advisers' League Tables*)

## ACADEMIC SUBJECTS

Cardiff offers students the perfect academic programme for admission to top universities. Our academic programme is built on a focused approach, the internationally respected standard for school-leaving qualifications.

### A-LEVELS

Students at Cardiff get the chance to specialise in four subjects of their choice in the first year (AS) of Sixth Form and continue with three or four subjects in the second (A2) year. Students should choose four subjects they are good at and enjoy.

Some university courses require particular A-level subjects to have been studied as preparation, such as Biology and Chemistry for Medicine and Maths, Further Maths and Physics for Engineering, so do consider this in addition when picking your subjects

|                    |                         |             |
|--------------------|-------------------------|-------------|
| Art                | French                  | History     |
| Biology            | Further Mathematics     | Mathematics |
| Chemistry          | Geography               | Physics     |
| Economics          | German                  | Psychology  |
| English Literature | Government and Politics |             |

### KEY FACTS

- **Age:** 16-17 at time of enrolment
- **Course length:** Two years
- **Course start:** August (pre-sessional) or September
- **Hours per week in class:** 25
- **Average student/teacher ratio:** 1:7

### ACADEMIC EXTENSION

However, students at Cardiff Sixth Form College go far beyond A-levels in their studies. Here we aim to extend our students knowledge of their subjects often beyond the curriculum through extension projects, research, Ted Talks, online courses and podcasts to fuel a passion for their subjects. We want our students to be able to think for themselves, to understand and enjoy their subjects at a deeper level, to be encouraged to explore areas of individual interest and to be independent, self-sufficient young adults, ready for university life, with a genuine care and interest in others and the wider world.

### CAREERS DEVELOPMENT

Students at Cardiff Sixth Form College develop careers and life skills through our careers, education, information, advice and guidance programme. We arrange extensive work placements and volunteering, connect our students with leading employers and provide career skills workshops all designed to help students, well beyond the academic curriculum, to develop their knowledge and skills in preparation for their chosen degree and career.

### IELTS PREPARATION

International English Language Test System (IELTS) exams often feature as part of UK university entrance requirements. Cardiff Sixth Form College provides exam specialists and experienced English teachers to ensure that students understand the test and are properly prepared to maximise their IELTS scores.

## GCSEs

GCSEs are the first formal academic qualifications undertaken by all pupils in the UK specifically designed to:

- Prepare pupils for Sixth Form study.
- Deliver a foundation of knowledge and skills to support excellent study habits at A Level.
- Provide appropriate levels of personal understanding of A-level choices, best suited to the individual student's strengths and interests which facilitate future university course choice.

UK universities make offers based on a complex variety of evidence. However, GCSEs are the only externally assessed subjects that have been formally completed prior to university application and as such form an important guide to likely suitability for academic study. Universities do take them into consideration when making offers.

As the top academic school in the UK, Cardiff Sixth Form College is able to offer two pathways for students wishing to study GCSEs as Pre-A Level qualifications from September 2022 enabling us to best fit our provision to the needs of our pupils and give them an outstanding and excellent preparation for Sixth Form study at A Level.

## SUBJECTS

|                          |   |
|--------------------------|---|
| Art                      | Geography                                   |
| Biology                  | German                                      |
| Business Studies         | History                                     |
| Chemistry                | ICT   |
| Economics                | Mathematics (and/or Additional Mathematics) |
| English (First Language) | Physics                                     |
| French                   |   |

## SUPPORTING CURRICULUM

|                                   |                               |
|-----------------------------------|-------------------------------|
| PE (Physical Education) and Sport | Critical Thinking             |
| PSE (Personal & Social Education) | Leadership/Teamwork           |
| Effective Communication           | University Preparation        |
| English for Academic Purposes     | Super-curricular programme    |
|                                   | Own language (if not English) |

## KEY FACTS

|                   | Intensive 1 Year GCSE Course   | Traditional 2 Year GCSE Course   |
|-------------------|--|--|
| Age of enrolment: | 15 (possibly, by exception 16)   | 14 (possibly, by exception 15)   |
| Course length:    | 1 year   | 2 years  |
| Course start:     | September  | September  |
| Synopsis:         | <p>Designed for pupils who:</p> <ul style="list-style-type: none"><li>• have not studied GCSEs before and want to gain a British pre-A-level qualification</li><li>• are too old to start a traditional two year course</li><li>• are looking for a rigorous, academic second year of GCSE provision</li><li>• a specific and focused range of subject choices</li></ul> | <p>Designed for pupils who:</p> <ul style="list-style-type: none"><li>• want to study a standard British GCSE course</li><li>• are looking for a rigorous academic course providing the foundations for application to top universities</li><li>• want an extensive super-curriculum programme</li><li>• the broadest range of subject choices at CSFC</li></ul> |

**GCSE SUPER-CURRICULAR PROGRAMME**

Character and skill development is essential for students wishing to prepare for application to top universities. Our GCSE super-curricular programme is specially designed to allow pupils a platform to develop appropriate, wide ranging and tailored experiences which help them to build into confident global citizens and includes:

- International Citizenship Experience
- Work Observation
- Careers Societies
- Careers Award
- Industry Speakers and Workshops
- Competitions
- Enrichment Trips
- Debating/Public Speaking
- Young Scholars Cup
- Oxbridge Preparation Pathway Programme

The super-curricular programme on both GCSE courses is tailored to provide support appropriate to the academic commitments of the course.

**GCSE RESULTS**

Top of the Telegraph Independent Small Schools' League Table for GCSEs in the first year of results. Increased levels of achievement in 2020 with a cohort double the size.

| Rank | School                                       | A*-A or 9-7 entires (%) | Candidates |
|------|--|-------------------------|------------|
| 1    | Cardiff Sixth Form College, Cardiff          | 83.87                   | 14         |
| 2    | Hampton Court House, East Molesey            | 77.6                    | 15         |
| 3    | Focus School - Long Eaton Campus, Nottingham | 65                      | 10         |
| 4    | Ecole Jeannine Manuel, London                | 62.16                   | 19         |
| 5    | Brampton College, Hendon                     | 61.54                   | 21         |

(No league tables published in 2020 due to Covid-19)

**RESULTS (INTENSIVE ONE YEAR iGCSE COURSE)**

## A UNIQUE CURRICULUM

Developing career and life skills is central to all education at Cardiff Sixth Form College.

As well as aiming for top A-level grades and universities, the college helps students build management and project skills, teamwork, confidence, and a healthy mindset. Our teaching approach also places considerable emphasis on independent learning – to look beyond simple answers and demonstrate a passion for knowledge and discovery.

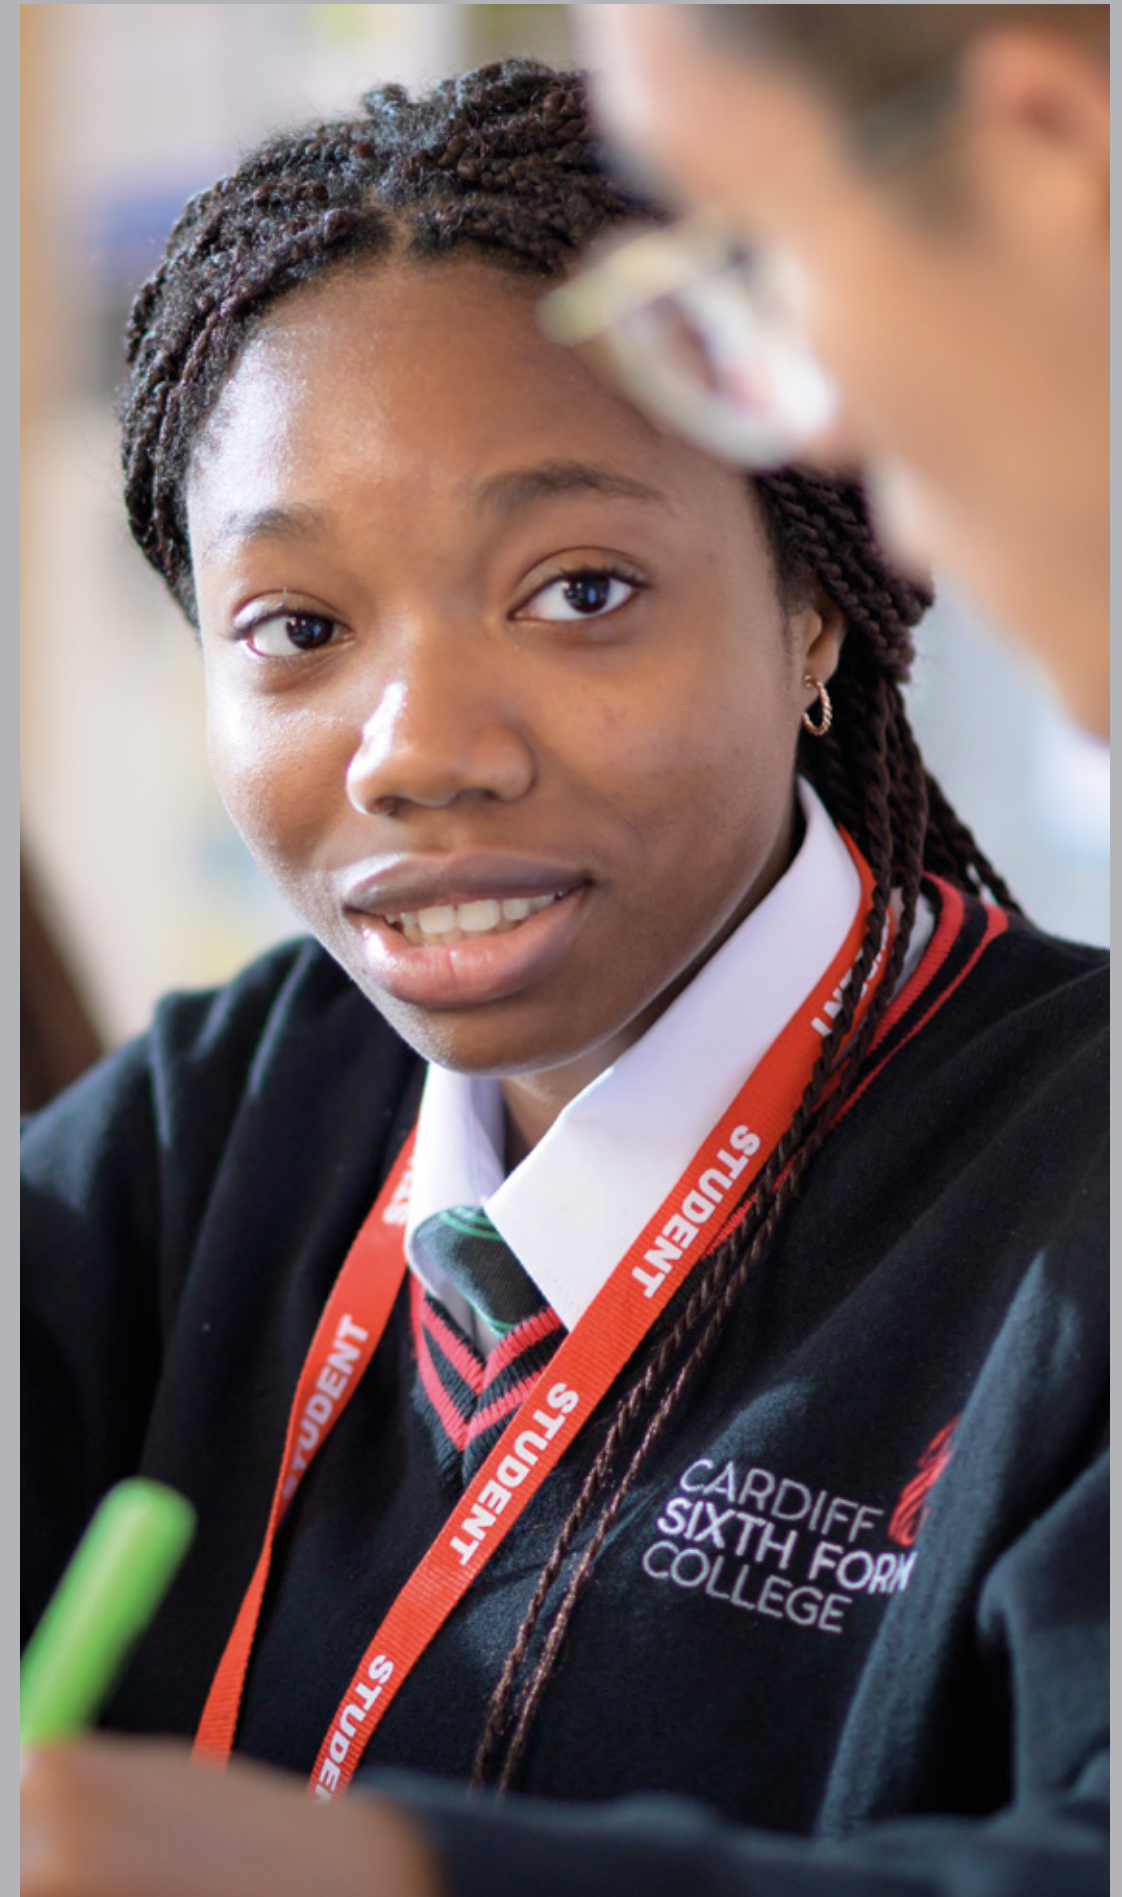

### ACADEMIC COURSES

- **Critical Thinking:** In this course, students are encouraged to explore questions from multiple perspectives in order to understand how different disciplines construct and convey knowledge. They examine beliefs, assumptions, and opinions against facts and learn to understand logic and logical argumentation.
- **Extended Project Qualification:** A research project based on a student's own interests, the EPQ is an exciting opportunity for students to take charge of their own learning. The end product is generally a 5,000-word essay, and the process of planning, researching, and presenting enables students to talk with authority about their chosen subject at interview.
- **Art Portfolio Course:** Students who are interested in studying Architecture or Art can undertake a portfolio course. This can be subject-specific, or draw on a variety of artistic media. The course involves regular assessment and feedback, as well as advice on presentation and content.

### PRACTICAL COURSES

The college also runs a series of practical courses that help students become more mature, resilient, and thoughtful in their interactions with others. These include:

- **Effective communication:** Lessons on public speaking and debating.
- **Leadership:** Students have a number of options to develop their leadership skills – such as becoming Prefects, Digital Leaders, Wellbeing Officers, and committee members for major school events and activities.
- **Entrepreneurship:** Involvement in business workshops, Young Tycoons Awards, and Young Enterprise Scheme.
- **Mindfulness:** Workshops and discussions on mental health and resilience, as well as yoga and pilates classes.
- **Living Skills:** These include cooking classes, money management, washing, and ironing – and the school MasterChef Competition.

# A WEALTH OF EXPERIENCE

Learning begins in the classroom...but doesn't end there.

Students at Cardiff Sixth Form College are encouraged to participate in a wide range of activities that teach core skills and help them plan their way forward through education and careers.

## WORK OBSERVATION

Work observation and volunteering are key advantages when applying to top universities and we allocate two weeks every October and February for students to gain this experience. Our dedicated co-ordinator helps students gain placements at a variety of professional workplaces such as GP surgeries, nursery schools, veterinary clinics, law firms, financial institutions, and engineering companies.

## INTERNATIONAL CITIZENSHIP EXPERIENCE

Cardiff Sixth Form College also runs the International Citizenship Experience (ICE) in international destinations such as India, Malaysia, Tanzania and Europe every July – a unique programme designed to give student work experience and observation, team building, leadership, and cultural awareness.

## ENRICHMENT TRIPS

A variety of trips and outings are organised to enrich students' understanding of their subjects.

|                                       |  |
|---------------------------------------|--|
| Biology trip to a coastal environment | Geography trip to Iceland                |
| Engineering Bloodhound workshops      | History trip to Poland                   |
| English Department theatre trips      | Physics trip to CERN and Hadron Collider |

## CAREER SOCIETIES

Students are invited to join one of our tutor-led societies, depending on which career path they favour. These equip students to demonstrate their aptitude and motivation for their intended careers by facilitating regular discussions about current affairs, career knowledge, and new research in their fields. Examples include:

|  |                                  |
|--|----------------------------------|
| Architecture and Art Society             | Humanities Society               |
| Business, Economics, and Finance Society | Law Society                      |
| Engineering Society                      | Pure and Natural Science Society |
| Healthcare Society                       |                                  |

## COMPETITIONS

Students are encouraged to participate in competitions to develop a wider understanding of subjects, gain life skills, and provide further demonstration of commitment for university applications. These include:

|                            |   |
|----------------------------|---|
| Model UN Conference        | Space Settlement Design Competition at NASA |
| National Schools Challenge | Welsh Schools Debating Championship         |
| Science Olympiads          | World Scholars Cup                          |
| Senior Maths Challenge     | Young Enterprise Scheme (for entrepreneurs) |

## UNIVERSITY PREPARATION

Our support programme gives students the best chance to achieve their potential.

Cardiff Sixth Form College works tirelessly to support students with their university applications. Our preparation programme covers every aspect of university admission and runs for the full two years of Sixth Form. Specific measures include:

- One-to-one careers interviews, tailored advice and target setting
- The UCAS process/personal statement guidance
- Study skills and mock interview practice
- Timetabled preparation for admissions tests (BMAT, LNAT, TSA, STEP and other Oxford and Cambridge admissions tests)
- Group discussions and practical workshops
- Subject-specific talks by experts, including university lecturers and Admissions Tutors
- Curriculum-based trips to enrich subject and career knowledge
- Workshops from Dukes Education's Oxbridge, Medical and US Applications services
- University Open Days where students meet university admissions teams
- Guidance on the Common Application process (for US universities and colleges) and international university preparation (e.g. for Hong Kong, Canada, Australia, New Zealand and European universities)
- Ongoing support from Cardiff Sixth Form College's successful alumni

### OXBRIDGE

Students of exceptional academic ability are likely to consider applying to Oxford or Cambridge and will require specialist preparation. Our programme for Oxbridge applicants includes:

- Additional classes in Maths, Economics, Physics and STEP
- Interview training with Cardiff's Oxbridge Alumni and Dukes Education Oxbridge Applications experts
- Formal discussion of current affairs, news and events for interview
- Guidance on UCAS and Oxbridge college forms
- Tailored Oxbridge references
- Membership of the Oxbridge Society

### MEDICINE AND RELATED DEGREES

Students planning on applying for Medicine, Veterinary Science or Dentistry also receive specialist preparation. In addition to the Oxbridge programme above, this includes:

- Visits by medical school staff and current medical students
- Interview training with Cardiff Sixth Form College's Medical Alumni and Dukes Medical Applications
- Varied medical work observation placements
- Regular talks on topical issues in Healthcare
- Support from Cardiff Alumni studying medical subjects at universities

# SOCIAL ACTIVITIES AND SPORTS

Our students get involved in a huge range of activities and clubs for fun, relaxation and enrichment.

## DRAMA

The Glee Club is an extremely popular society and puts on a major show every year at a local professional theatre: past productions include *Grease*, *Hairspray* and *Mulan*. Students are also encouraged to perform in dance, drama or music at the Eisteddfod - a talent event held at The Wales Millennium Centre, home to the Welsh National Opera and the BBC National Orchestra of Wales - and The Cultural Event – the college’s major award ceremony of the year.

## SPORT

The college encourages all its students to be fit and active. State-of-the-art health and leisure facilities at our sports clubs include a gym, badminton and tennis courts, swimming pools, squash courts, regular Zumba and yoga classes, and a full range of fitness and dance classes. Football, tennis, basketball, table tennis, and netball matches are played between college Houses and against other schools – and if that’s not enough, we also stage an “Iron Man” fitness competition!

## MUSIC

Many students are musical and the college can organise private music lessons for most instruments. The college runs a choir as well as several musical groups, and the music room with its range of instruments makes it easy for students to practice and make music together.

## DUKE OF EDINBURGH AWARD

Students can take the Bronze, Silver or Gold Duke of Edinburgh Awards. They choose a service, physical and skills activities, go on an expedition and, to achieve the coveted Gold Award, take part in a residential project, building confidence and challenging their beliefs about their own capabilities.

## CLUBS AND SOCIAL EVENTS

Clubs are an excellent way to make friends – and if there isn’t yet a club or society that caters for pupils’ interests, they are encouraged to be creative and form their own. Current clubs include:

|                           |                          |                          |
|---------------------------|--------------------------|--------------------------|
| Amnesty International     | Film                     | Swimming                 |
| Art and Photography       | Football                 | Volunteering and Charity |
| Badminton                 | Futurology               | Table Tennis             |
| Basketball                | Journalism and Editorial | Tennis                   |
| Computer Science/Robotics | Netball                  | Yoga                     |
| Dance                     | Strategic Games          |                          |
| Debating                  | Philosophy               |                          |

Social events also run throughout the year, some organised by staff and others by the students themselves. Popular events include the Halloween Party, Christmas Ball, Paintballing, Thanksgiving Meal, charity events, picnics and of course, the Graduation Ball.

## BOARDING AND STUDENT CARE

Moving away from home to study is an exciting prospect. We understand the importance of helping students enjoy their time here as they begin living away from home.

### ACCOMMODATION

New students at Cardiff Sixth Form College are welcomed into one of the five Houses, where they occupy state-of-the-art boarding accommodation located just five minutes' walk from our teaching block at Trinity Court. Our accommodation provides bright, well-equipped, en-suite rooms, superfast broadband, access to personal or communal cooking facilities, relaxation and leisure areas, Music and Art rooms, and laundry facilities. CCTV and 24-hour security is also in constant operation.

### MEALS

The college provides a range of excellent meals for students in the school dining room, where food is offered as a buffet selection and includes fresh vegetables, fruit, and desert. The cuisine is usually a fusion of East and West, and includes halal, vegetarian, vegan, and special dietary requirements.

### HOUSE EVENTS

Students enjoy a fun challenge with their House peers to win points for the House Cup competition. Other events held include the Fashion Show, Sports Day, MasterChef, inter-House sports competitions, writing competitions, and filmmaking events.

### STUDENT WELFARE

Student welfare is our number one priority in everything we do. As well as full-time House Parents and assistants in each boarding house, there is also an on-site medical centre staffed by experienced healthcare practitioners and a college counsellor. All students are registered with the UK National Health Service, giving them access to the local GP doctor as well as emergency hospital care.

Cardiff students also have access to a multi-faith prayer room located at Trinity Court, a welcoming and accessible space for people of all faiths and traditions.

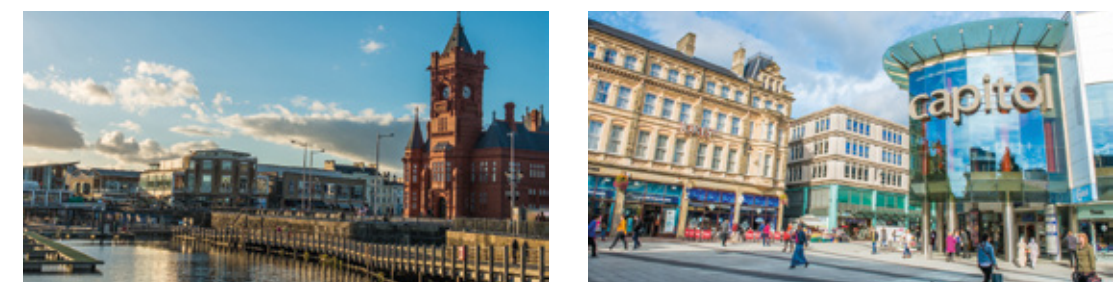

# ONE COLLEGE TWO CAMPUSES

Cardiff Sixth Form College has two campuses: Cardiff and Cambridge.

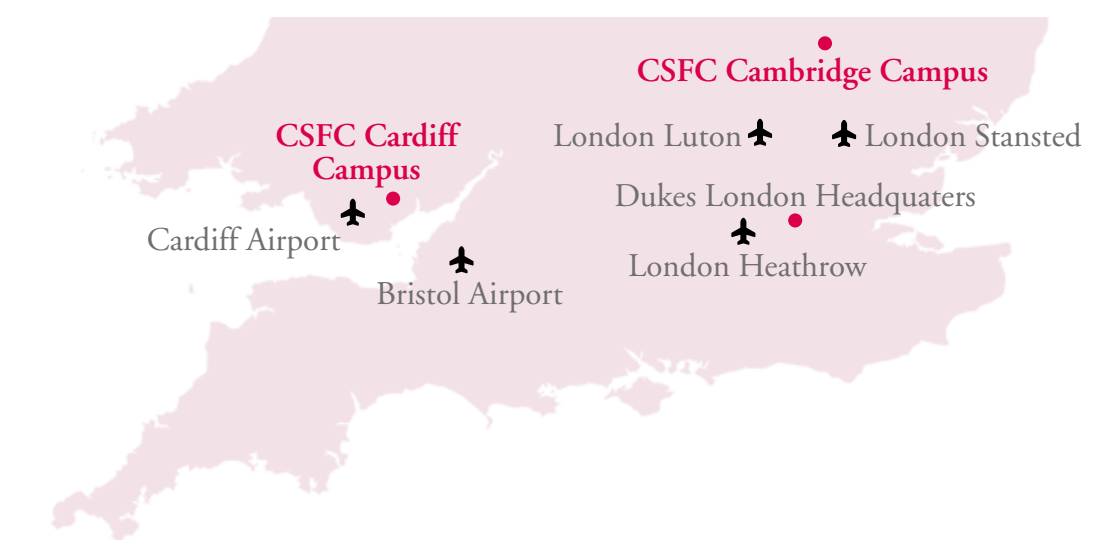

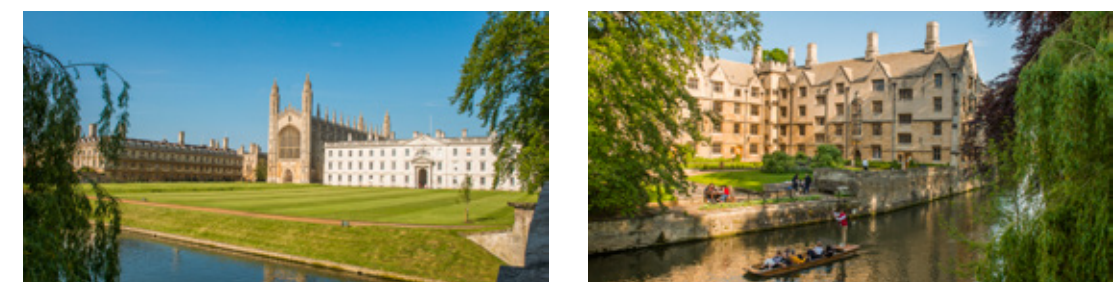

## CARDIFF

Cardiff is Wales’ capital, a modern and cosmopolitan city located around two and a half hours west of London. The city is commonly named one of the top places to live in the UK and offers charming Victorian arcades alongside ultra-modern shopping centres, attractive waterfront cafes, beautiful architecture, and international music and sport venues – all within walking distance of the college.

## CAMBRIDGE

The university city of Cambridge is home to the world-renowned Cambridge University and its 31 colleges and is only 45 minutes from London. Stunning architecture, independent and boutique shopping, punting down the River Cam, annual festivals and events, numerous sporting opportunities and the ability to experience lectures at Cambridge University means Cambridge is the ideal student destination.

“

Without ambition one starts nothing. Without work one finishes nothing. The prize will not be sent to you. You have to win it.

”

RALPH WALDO EMERSON

# APPLICATIONS

Get in touch with us today to take the first steps towards studying at the UK's top school.

We strive to make our admissions process transparent at all times. All applications are considered to be on an equal basis according to the following procedure:

Complete application form by going to [ccoex.com/apply](https://ccoex.com/apply)

Send form to us with passport, school report, and registration fee

Complete our entrance tests, interview, and GL aptitude test

Application is then reviewed and an offer of a place is sent, or you are notified of an unsuccessful application

Accept offer and pay deposit to secure place

Pre-arrival information and CAS sent (June onwards)

For admissions information or to enquire further, get in touch with us at [admissions@ccoex.com](mailto:admissions@ccoex.com) or visit [ccoex.com](https://ccoex.com).

TOGETHER WE'RE  
EXTRAORDINARY

Cardiff Sixth Form College is the trading name of CSFC Ltd, registered in England and Wales number 10537199. Registered address: 1-3 Trinity Court, 21-27 Newport Road, Cardiff, CF24 0AA. Cardiff Sixth Form College is part of Dukes Education Group. The Dukes Education Group is registered in England and Wales number 09345899. Registered address 14-16 Waterloo Place, London SW1Y 4AR. Designed & produced by [kilvington.com](https://kilvington.com).
