

A female student with long dark hair, wearing a white lab coat, is seated at a laboratory bench. She is looking down at a piece of equipment on the bench, which includes a vertical stand with a ruler and a blue valve. A calculator is visible on the table in front of her. The background shows a typical laboratory setting with various equipment and a purple storage bin.

MEDICAL PEERS

MEDICAL PEER GUIDE

Here at Cardiff Sixth Form we are very proud of our Medical students who have all excelled under the College's care and guidance.

This booklet highlights some of our excellent Medical students and gives some useful statistics and academic information showing why Cardiff Sixth Form College is the top school in the UK.

OXBRIDGE SUCCESS

Cardiff Sixth Form College students have longstanding success in obtaining places at Oxford and Cambridge, thanks to our Oxbridge preparation programme.

In addition to support led by our Careers & Higher Education department, we work very closely with Oxbridge Applications, who provide workshops on personal statements, admissions tests, and interview practice.

AIBIKE

"The friends I've made during my time at Cardiff Sixth Form College will last a lifetime and some of my favourite memories are from times I spent with my friends either hanging out in boarding, exploring Cardiff in my first year or taking part in the extra-curricular activities and inter-house competitions organised by school."

PREPARATORY PROGRAMME

Cardiff Sixth Form College students enjoy a fully comprehensive Careers & Higher Education preparatory programme, enabling the students to research and discover the 'best fit' course and university for them, no matter where in the world it may be.

CSFC students are increasingly enrolling in overseas universities, where they match with a programme that is perfectly aligned with their personal, academic, and professional aspirations.
