

AUGUST PRE-SESSIONAL COURSE

AUGUST PRE-SESSIONAL COURSE

Here at Cardiff Sixth Form we are very proud of our students who have attended our August Pre-Sessional course and who have all excelled under the College's care and guidance.

This booklet highlights some of the excellent pupils who have taken part in our August Pre-Sessional course and gives some useful statistics and academic information showing why Cardiff Sixth Form College is the top school in the UK.

Nationality:

Thai

Former School:

Badminton School

Subjects Studied at A Level:

Mathematics, Further Mathematics, Physics, Economics

Grades at A Level:

A* A* A* A*

University:

University College London – Economics

BENEFITS OF THE AUGUST PRE-SESSIONAL COURSE

Previous August pre-sessional students have gained extra benefit from:

- Expert tuition based on data from entrance examinations
- Familiarisation with fast-paced A Level tuition
- Assessment of learning styles as indicated by online reasoning tests
- Assessment and tuition in English for Academic Purposes across specific subjects
- Subject specific support in areas of assessed need
- An opportunity to demonstrate excellence and establish work patterns
- Integration activities (college and locally)
- Enrichment activities
- Boarding familiarisation in a small group environment
- Early meetings with Heads of Houses to establish expectations and pathways
- Extra-curricular sport and social activities
- Peer group bonding and friendship creation in a small and managed environment

RUIYI

"When I started at the College it did take me a little while to adapt to the surroundings, it is such a unique environment with students from around the world. However, I soon settled in to the boarding house with the help of the fantastic house parents and quickly formed a group of really great friends who will last a lifetime."

Nationality:

Chinese

Former School:

Beijing New Oriental Foreign Language school at Yangzhou

Subjects Studied at A Level:

Further Mathematics, Mathematics, Physics

Grades at A Level:

A* A* A*

University:

University College London – Mathematics

Nationality:

Moldovan

Former School:

Lyceum of Modern Languages and Management

Subjects Studied at A Level:

Psychology, Physics, Mathematics

Grades at A Level:

A*A*A

University:

University of New South Wales – Medicine

PREPARATORY PROGRAMME

Cardiff Sixth Form College students enjoy a fully comprehensive Careers & Higher Education preparatory programme, enabling the students to research and discover the 'best fit' course and university for them, no matter where in the world it may be.

CSFC students are increasingly enrolling in overseas universities, where they match with a programme that is perfectly aligned with their personal, academic, and professional aspirations.

MEGAN
