RUSSIA PEER GUIDE

Here at Cardiff Sixth Form we are very proud of our students from Russia who have all excelled under the College's care and guidance.

This booklet highlights some of our excellent Russian pupils and gives some useful statistics and academic information showing why Cardiff Sixth Form College is the top school in the UK.

SOFIA

“My favourite club in Cardiff has to be the debating club. We got the opportunity of competing in very prestigious debating competitions all around the country such as in Cambridge, Oxford and the London universities. Not only did I make great friends in the club, but it also helped develop my critical thinking skills. This really helped me write a good quality personal statement.”
