

Dear Student

Please see below a short introduction from our Careers & HE Department. They will be supporting you throughout your studies at the college.

Dr Laura Foster

Head of Careers and
Higher Education

Emily Davies

Careers and Higher Education
Advisor

Dale Sage

Work Observation and
Educational Visits Coordinator

The Careers & HE Department, alongside our Heads of House, support you before, during and after your enrolment at Cardiff Sixth Form College with all things regarding subject choices, university applications (UK and International) and future options. In your CSFC application, you expressed what you thought would be your chosen career and IGCSE/A Level subjects, but we understand that you might want to change your mind. If you need any guidance on university A Level subject requirements, or want to ask us any questions, you are very welcome to have a chat with us through email or Zoom prior to enrolment. The Department also supports students in finding appropriate work observation placements and voluntary work. Extensive enrichment opportunities are also provided, including talks from industry experts.

We are looking forward to meeting you when you join us! Please do take up the opportunity of emailing us to discuss your career path and possible work observation, or A Level choices if you feel you are still unsure - we would be delighted to help. You can contact us on the below email addresses:

Miss Emily Davies (Careers and Higher Education Advisor) emily.davies@ccoex.com

Mr Dale Sage (Work Observation & Educational Visits Coordinator): dale.sage@ccoex.com

Kind regards

Careers & Higher Education Department
