UNIVERSITY PROGRESSION

Cardiff Sixth Form College is a launchpad to selective universities worldwide. CSFC students have enjoyed success in some of the world's top universities in the UK, USA, Canada, Australia, Hong Kong, Singapore, and more.

Year after year, our students gain coveted places to study some of the most selective degree programmes, including but not limited to, Engineering, Law, Dentistry, Medicine, and Natural Sciences.

OXBRIDGE SUCCESS

Cardiff Sixth Form College students have longstanding success in obtaining places at Oxford and Cambridge, thanks to our Oxbridge preparation programme.

In addition to support led by our Careers & Higher Education department, we work very closely with Oxbridge Applications, who provide workshops on personal statements, admissions tests, and interview practice.

Cardiff Sixth Form College Cambridge students have been personally monitored by Cardiff Sixth Form College students who are studying or have studied at the University of Cambridge – a unique and privileged offer!

PREPARATORY PROGRAMME

Cardiff Sixth Form College students enjoy a fully comprehensive Careers & Higher Education preparatory programme, enabling the students to research and discover the 'best fit' course and university for them, no matter where in the world it may be.

CSFC students are increasingly enrolling in overseas universities, where they match with a programme that is perfectly aligned with their personal, academic, and professional aspirations.

SUPER CURRICULAR AND CAREERS PROGRAMME

- Participation in “The Cambridge Edge” – a structured and developmental programme of activities designed to capitalise on the depth of opportunities in the thriving academic environment in Cambridge.
- Work observation and volunteering opportunities.
- International work experience opportunities through our International Citizenship Experience (ICE) trips.
- Academic and super-curricular clubs and societies, such as Debate, MUN, Healthcare, Law, Economics, and more.
- Extended Project Qualification.
- CREATE© and CSFC Careers Award.
