## Frequently Asked Questions

### **How do I know what sizes to order?**

We ask you to input your child's measurements and our Intelligent Sizing System will indicate the recommended size on the shopping page.

However, this is a suggestion only, based on the measurements you have entered. Should you wish to choose an alternative size, you can use the drop-down menu to select this.

### **What if I need to return an item?**

We offer a free returns service so please return any item unsuitable using our online returns tool, and we will either refund or exchange as required.

### **Do I have to pay for name tapes?**

We only charge for the cost of the name tapes and sew them in free of charge.

### **How long will my order take to be despatched?**

We promise to despatch orders within 3 working days, and more swiftly than this wherever possible. FastTrack delivery is also available.

### **I need an item that is showing as out of stock on the website, what should I do?**

As an online retailer we typically hold much higher levels of stock than a high street store, but if an item you require is showing as out of stock, please place your order and we will work to supply this as quickly as possible.

### **What if I need further information or help with my order?**

Our Schoolblazer website features lots of useful information including a How to Shop video and more Frequently Asked Questions. Alternatively you can call our Customer Services Team on 0333 7000 703 and they will be happy to help.
