10.0 Strategies to Improve Behaviour	20

1.0 Introduction

- 1.1 This policy should be read in conjunction with the college Safeguarding and Child Protection Policy, Online Safety Policy, Substance Misuse Policy and Conducting a Search & Use of Physical Intervention Policy.
- 1.2 Behaviour and Discipline in colleges: Advice for headteachers and college staff, January 2016.
- 1.3 This policy applies to all students at all times when the student is:
 - At the college or representing the college
 - Travelling to or from the college
 - On a field trip, visit, expedition, holiday or involved in any activity associated with the college, except where the conditions of the activity expressly state otherwise associated with the college
- 1.4 Misconduct of any kind outside CSFC Cambridge will be subject to this policy if the welfare of another student or the reputation of the college are placed at risk. All students are made aware of college and boarding sanctions, along with being rewarded for positive behaviour during the induction process.
- 1.5 At CSFC Cambridge, we work to enable every student to increase their self-awareness and to grow as an individual. Heads of Houses oversee academic and pastoral matters for students in their Houses and are available to discuss ways of overcoming any barriers a student may face in achieving their full potential in a confidential and sensitive manner.
- 1.6 Support processes in the college are designed to guide students throughout their studies and life at the college and prepare them for life outside of the college community.

2.0 Expectations and Requirements

- 2.1 In order to make their time at CSFC Cambridge successful, it is important that students understand our expectations and requirements. We therefore expect that they will:
 - Maintain a high standard of appropriate behaviour
 - Always wear uniform appropriately and correctly
 - Keep track of their academic learning and progress with the support of their Head of House and subject teachers.
 - Complete homework to the best of their ability and by the required deadlines.
 - Use English as the main language of communication during the College day, while recognising that EAL students may sometimes use their first language to support understanding and learning.

- Attend all classes punctually
- Abide by the college policies including those on Health and Safety, Substance Misuse, Online and Anti-bullying and Safeguarding, and bringing into college any sort of object that may be harmful to others and themselves.
- Accept that it is each student's responsibility to help keep the college clean and tidy.
- Abide by the college's Code of Conduct during college trips or visits.
- Acknowledge their responsibility to inform the college of any dealings with police or other authorities.
- Notify their Head of House of any changes of contact details
- Check their college email account regularly for notifications and updates
- Abide by the expectations and standards of behaviour outlined in the CSFC Cambridge Student Charter as highlighted within the student handbook

2.2 Disciplinary action is likely to follow any breach of the above requirements and will follow the procedure outlined later in this policy. Where noted within the procedure, parents/guardians will be contacted in serious cases of a breach of college policy (please refer to disciplinary procedures later on in this policy). In serious cases of a breach of college policy, students may be temporary or permanently excluded from the college. Exclusions will be made in circumstances where it is felt that a student has knowingly placed themselves and/or another in unnecessary danger and/or at risk. Each disciplinary case is always looked at individually and student involvement will always take into consideration any support programmes that are already in place, along with any known safeguarding concerns or additional learning needs.

3.0 Studentship

3.1 Excellent studentship is demonstrated through the following habits and behaviours:

Personal Standards:	Academic Standards:
Uniform and equipment <i>Smart, well-presented and correct school uniform, at all times, with the correct equipment (e.g. laptop, tablet, pens, paper, files, textbook) necessary for effective learning,</i>	Engagement <i>Full focus in lessons and thorough commitment to homework and individual study</i>
Courtesy & Respect <i>Politeness, good manners and respect for all people, at all times</i>	Time-management <i>Commitment to all deadlines, forward planning and personal responsibility</i>
Speech <i>Respectful speech, using English, the common language of the College, clearly articulated and spoken in full sentences.</i>	Achievement <i>Focus on vital assessment points and on always achieving to the best of our ability</i>
Effort, endeavour & application <i>Resilience and determination at all times; willingness to explore and to challenge oneself; wholehearted commitment in all things.</i>	Responding to feedback & advice <i>Recognition that all advice is given to support us and to help us to improve</i>
Punctuality & attendance <i>Full attendance and a commitment to being in the right place at the right time.</i>	Continuous improvement <i>Belief that excellence is a journey of continuous improvement</i>
Leadership <i>Demonstrating the standards and behaviours we expect to see in others</i>	Intellectual development <i>Valuing intellectual acumen over purely academic achievement.</i>

3.2 At intermittent periods, students are graded on their overall studentship. These grades are shared with parents and guardians. The categories for grading are as follows:

Excellent: A student who consistently displays all the standards of studentship.

Good: A student who displays most of the characteristics of studentship most of the time.

Satisfactory: A student who demonstrates many of the characteristics of studentship with occasional shortcomings

Poor: A student who displays some of the characteristics of studentship but not consistently

Unacceptable: A student who fails to demonstrate basic levels of studentship.

4.0 Rewards

- 4.1 The college is aware of the need to encourage and motivate students. Verbal encouragement is part of daily practice.
- 4.2 Through the college House system, students can gain additional rewards and whole-house prizes.
- 4.3 The college also issues student awards during whole-college assemblies and students are recognised for their contribution to the college community.

5.0 Academic Misconduct

- 5.1 Academic misconduct can take many forms. The college considers that the following activities constitute academic misconduct:
- 5.2 **Plagiarism** may occur in all forms of assessment and falls broadly into three areas:
 - 5.2.1 Generally, plagiarism is defined as taking the work of another person or source and using it as if it were one's own. It can encompass ideas, written works, musical compositions, computer programs, survey results, diagrams, graphs, drawings, images and designs. The original sources are (deliberately) hidden from the marker by not referencing the source. Words, phrases and passages taken verbatim from a published work must be in quotation marks and the source acknowledged and should normally be less than 100 words in length.
 - 5.2.2 If you want to make more use of a published work you may summarise or paraphrase the author's words, but you must properly acknowledge the source. Paraphrasing, when the original statement is still identifiable and has no acknowledgement is still plagiarism.
 - 5.2.3 Self-plagiarism (or double submission) is resubmitting previously submitted work on one or more occasions (without proper acknowledgement). This may take the form of copying either the whole piece of work or part of it. Normally credit will already have been given for this work. You should note that this applies even if you are re-taking a module or level.
- 5.3 **Collusion:** A student colludes when he or she submits work for assessment done in collaboration with another person as entirely his or her own work, or collaborates with another student to complete work which is submitted as that other student's work. Collusion does not apply in the case of the submission of group projects, or assessments that are intended to be produced collaboratively.
- 5.4 **Misleading material:** Inclusion of data which has been invented or obtained by unfair means or an academic offence; for example, falsifying the results of questionnaires or interviews.

- 5.5 **Cheating:** Any irregular behaviour during examinations such as the unauthorised possession of notes; attempting to give or receive help in a formal academic exercise or examination; unauthorised possession of notes; the copying of another candidate's work; giving a false excuse for missing a deadline or falsely claiming to have submitted work; submitting work that is not your own; the unauthorised obtaining of examination papers.
- 5.6 **Bribery or paid services:** Submitting work for assessment that you have purchased from an essay procurement website or offering a bribe to another student or member of staff.
- 5.7 **Sabotage:** Attempting to prevent others from completing their work.
- 5.8 The above list is not exhaustive and you should always seek advice if you are concerned that you may be breaching required standards of academic conduct. The college is keen to help you maintain the highest academic standards and will always endeavour to support you provided you seek help at the earliest opportunity.
- 5.9 **How the college determines whether plagiarism has taken place**
- 5.9.1 Plagiarism may be detected based on either the academic experience of the marking tutor(s) or through the use of software such as 'Turn It In'. As experienced academics, markers may already know source material that is being presented as your own; they may also recognise changes in writing style, language or even spelling which can flag-up concerns.
- 5.10 **Disciplinary Procedure for Academic Misconduct**
- 5.10.1 If you are suspected of academic misconduct, the following informal and formal procedures will be followed.
- 5.10.2 Cases of suspected academic misconduct by a student will be dealt with by the Head of House informally – the Preliminary (Informal) Procedure. More serious and/or repeated cases of academic misconduct may be referred upwards to the Head / Principal depending on the severity of the case. (Formal Procedure)
- 5.11 **Preliminary (Informal) Procedure**
- 5.11.1 If the tutor/assessor suspects academic misconduct, you will be invited to meet with your Head of House. The purpose of this meeting is to ascertain whether:
- plagiarism or other academic misconduct has taken place;
 - you fully understood the college's definition of academic misconduct;
 - the misconduct was essentially inadvertent or intentionally deceptive.
- 5.11.2 Where the preliminary consideration finds that the misconduct was inadvertent or an example of poor academic practice, you will be informed of this in writing and be invited to discuss the issues with an appropriate member of academic staff at the earliest possible opportunity. You will be given clear advice on the steps you must take to prevent a recurrence of this poor practice. A note of this discussion should be given to you within five working days of the meeting and a

copy kept on your student record for future reference if you are suspected of a further case of academic misconduct.

5.11.3 If it is determined that the misconduct was more serious or deliberate, the formal procedure will be followed and the case considered by the Principal/and or Head of college.

5.12 Formal procedure

5.12.1 In more serious cases of academic misconduct, the informal procedure may conclude that:

- there is evidence of proven repeated offences of academic misconduct (three cases of bad academic practice or the second occasion of deliberate misconduct);
- the academic misconduct is compounded by deliberate deception or lying (e.g. purchasing an essay from an essay procurement website; stealing work from another student);
- other students have been disrupted or affected in some way by your academic misconduct;
- there are other aggravating factors.
- In such cases, you will be asked in writing to attend a formal Academic Panel consisting of the following or their nominees:
 - Head of college (Chair of the Academic Panel)
 - Head of House
 - A senior member of staff from either CSFC Cambridge or CSFC Cardiff
- An Administrator will be present to maintain a record of the meeting.
- You will be given full information about the allegation being made against you.
- The case must not be discussed by the Academic Panel before you are present, other than to agree or clarify procedure. You must be given the opportunity to hear all the evidence and to present an explanation, but will not be present whilst the Panel comes to a decision.
- The subject teacher concerned will be required to present the case to the Academic Panel.
- The Academic Panel cannot impose penalties in the case of external examinations. This is the responsibility of the Examination Board. Rather it makes recommendations to the Examination Board in such cases. The

panel may, at its discretion, choose to recommend a more serious penalty for ratification by the Chair of the Examination Board, including possible termination of the student's programme of study.

- In all cases of alleged academic misconduct, full records of the plagiarised assignment, relevant evidence of plagiarism and meeting minutes are to be kept by the Chair of the Academic Panel if the matter is escalated as above, and the Chair of the Examination Board must be informed in writing.
- Following the conclusion of the plagiarism procedure, the student has the normal right of appeal as laid down in the college Appeals Procedure.

5.12.2 How will the Academic Panel be conducted?

5.12.2.1 You will be given notice of the hearing outlining the nature of the academic misconduct at least three working days before the hearing.

5.12.2.2 The Academic Panel will be chaired by the Principal and will proceed as follows:

- Introductions
- Allegation of academic misconduct set out by the subject teacher
- The student, responds to the allegations;
- The Academic Panel has the opportunity to question both the subject teacher and the student;
- The subject teacher sums up the allegations.

5.12.3 Penalties for academic misconduct

5.12.3.1 In considering which academic penalty to recommend, the Academic Panel will take into consideration any admission of guilt and the seriousness and extent of the misconduct. Relevant precedents will also be considered. For example, an admitted misconduct would normally be treated more leniently than a denied offence.

5.12.3.2 If you admit misconduct or misconduct is found to be proved, the Academic Panel may issue a reprimand and warning about future conduct or, in the case of an external examination, recommend to the Examination Board one or more of the penalties:

- a mark of 40% (or the pass mark whichever is the lower) awarded for the component or module in question
- a mark of 0 is awarded for the component of assessment in question;
- a mark of 0 is awarded for the module in question
- a mark of 0 module in question and marks for all other modules at that level will be kept at the minimum pass mark
- a limitation on progression and award

- termination of the student's studies

5.12.3.3 Where the recommendation is for a mark of 0 to be awarded, the penalty may be imposed without "loss of credit" where it is judged that such a penalty would have a disproportionate effect on the outcome for the student.

5.12.3.4 Proven cases of Academic Misconduct will be referred to the relevant Examination Board for confirmation of the penalty. The Examination Board will inform the student of its decision in the normal way and of any academic requirements following the implementation of the penalty.

5.12.4 Communication of the decision of the hearing

5.12.4.1 The decision of the Academic Panel (subject to confirmation by the relevant Examination Board where appropriate) will be communicated to you in writing within five working days of a decision being made.

5.12.4.2 Appeals

An appeal shall be heard by the Appeals Committee. Its composition shall be:

- CSFC Governor (Chair)
- A member of senior staff from CSFC Cardiff (not involved in the Academic Panel, above)
- A senior teacher from a subject not associated with the student.

5.12.4.3 The Appeal Hearing

The Appeal Hearing shall be called as soon as is possible after receipt of the student's notice of appeal. The student will be given notice of the date of the hearing and the procedure to be adopted at least three working days before the hearing. The Appeal Committee shall not rehear the case afresh but shall:

- review the procedures followed by the Academic Panel
- establish whether any new evidence that is material and substantial has been presented
- review the penalty imposed.

The student may submit a written statement for consideration by the Appeals Board

The manner in which the appeal shall be conducted and the evidence heard will be entirely at the discretion of the Chair of the Committee.

5.12.4.4 The decision of the Examinations Appeals Committee

The Committee may:

- Confirm the original decision

- Uphold the appeal and quash the original decision
- Substitute its own decision for the original one. This may involve an alternative, lesser or greater penalty.

You will be notified in writing of the Committee's decision within five working days of a decision being made and will be issued with a completion of procedures letter. The Committee's decision is final.

6.0 Behaviour in Boarding House Accommodation

The following is to be read in conjunction with the Boarding Handbook.

- 6.1 All students are representatives of CSFC Cambridge for the duration of their studies. In line with this, the college expects all students to conduct themselves in a manner which reflects the expectations outlined to all students in the Student Charter which can be found in the Student Handbook.
- 6.2 During college life it is expected that all students will abide by college and Boarding House rules.
- 6.3 Behaviour in Cambridge town should always be that which will bring credit to the individual and the college. College uniform is not required for town visits, but students should be tidily and respectably dressed and behaving in an acceptable manner. A college uniform should not be mixed with home clothes. Students are advised to go into town in groups of at least two or three, and CSAs must always be in groups (see CSA Policy).

6.4 Boundaries:

Students may not enter the room of a student of the opposite sex. Students may not use college buildings and grounds during holidays without special permission.

Public Houses, betting shops and amusement arcades are out of bounds.

It is strictly forbidden to climb over fences or gates around the college and boarding site.

6.5 Sexual Relationships

CFSC Cambridge encourages positive and friendly relationships between students, but it has a responsibility to draw the line at sexual relationships between the students in its care.

All students are given Sexual Education classes as part of Relationships and Sex Education sessions, along with positive and healthy relationship guidance. Please refer to the college's PSE and RSE Policy for further details.

The law does not permit sexual intercourse in which one or both partners is under the age of 16.

The college rules go further. Any sexual activity between students, of whatever age, either on college premises or at times when the college has the prime responsibility for the students concerned, will be treated as a serious offence and will be subject to behaviour disciplinary proceedings.

Sexual violence and sexual harassment between children in college is taken seriously and any concerns regarding safeguarding of students in light of sexual relations should be referred immediately to the Designated Safeguarding Lead in line with the College Safeguarding Policy. Further guidance can be found in Sexual Violence and Sexual Harassment: Advice for governing bodies, proprietors, headteachers, principals, senior leadership teams and designated safeguarding leads, Sept 2021.

If there is evidence or concern of child on child abuse, physical or sexual abuse or FGM then staff and students must follow the full procedures for these as outlined in the Safeguarding and Child Protection Policy.

6.6 Drugs

CSFC Cambridge is committed to ensuring and promoting the health and safety of its students and, if necessary, will take action to safeguard their well-being.

We recognise that all young people are at risk from drugs and make every effort to deter drug-taking. Substance abuse is covered for all students in PSE (Personal and Social Education) and RSE (Relationships and Sexual Education) lessons at the college.

It is a criminal offence to supply or to be in possession of a controlled drug, and it is illegal to allow premises to be used for the consumption of a banned substance.

Any infringement of the law is automatically against college rules.

Anyone who brings drugs or substances into college, either to use or to supply (that is to sell or to give), has committed a serious offence and will be subject to behaviour disciplinary proceedings

6.7 Substance Misuse

The word “substance” is taken to include those that are legal, such as alcohol, tobacco and solvents, over the counter and prescribed drugs and “legal highs” as well as illegal drugs e.g. cannabis, ecstasy, heroin, cocaine and LSD.

The college has a zero tolerance towards alcohol, both on college premises and off. The college reserves the right to breathalyse any student whom they suspect has been drinking alcohol and the college nurse can authorise drug tests in conjunction with the Housemaster.

The college has a zero tolerance towards drugs. To protect the safety and well-being of all students and staff, drugs must not be possessed or bought, sold or otherwise obtained at any time on college premises.

For further details, please see the Substance Misuse Policy.

6.8 Curfew

The curfew time is 21:00 for CSA and 21.30 for non CSA students. Students must be at their accommodation and in their own rooms by this time every night. This rule applies to all students living in college accommodation. Quiet time is at 22:00 for CSA and 22.30 for non CSA.

6.9 Fire and Fire Drill

Students may not have any naked flames in their room (matches, candles, lighters, etc) because of the risk of fire.

Fire drills are carried out on a termly basis and will include drills during sleeping hours.

Details of action to take in the event of fire are displayed around the college and boarding houses. Fire safety is a topic covered during the student school induction.

6.10 Electrical Safety

- All electrical appliances will be tested by a suitably trained staff member or contractor for compliance.
- Non-compliant appliances will be confiscated until the student is leaving for home.
- The Health and Safety Policy contains further details.

A list of boarding house rules and sanctions can be found within the Boarding Handbook. The Boarding Handbook can be accessed via the college website and in the student induction pack distributed at the start of the academic year.

7.0 Behaviour in College

7.1 Bullying and Equal Opportunities

- Bullying, whether verbal or physical, will not be tolerated and will always be sanctioned. Cyberbullying is a form of bullying. Please refer to the Anti-Bullying Policy, the Online Policy, and the Safeguarding and Child Protection Policy.
- CSFC Cambridge is committed to ensuring an environment that promotes equality of opportunity and does not tolerate any form of discrimination.
- The ethos of the college is to promote the ability of every individual to achieve their maximum potential, in a supportive and encouraging environment. Applicants, students and staff will be treated, at all times, in a fair transparent and non-discriminatory way, and will be selected and assessed solely on the basis of merit, ability and potential, regardless of gender, ethnicity, and religious/political beliefs, race, disability, socio-economic background or country of origin.

- Please see the college Equality, Diversity and Inclusion Policy for further details.

7.2 Food and Drink

- The college canteen provides three hot meals on weekdays and two on weekends, with a varied and nutritious menu, catering for a variety of dietary needs (i.e. vegetarian, vegan, coeliac, halal etc.).
- Students are expected to behave courteously when using the canteen and they should queue in an orderly fashion. Students may prepare and consume food in the kitchen and communal areas of the boarding houses. Chewing gum is not permitted on site.
- CSA students will be monitored during breakfast, lunch and dinner by the boarding staff, Head of House or a designated supervisor from the teaching staff body.

7.3 Internet

- Students will be provided with guidelines on the use of the computer network and internet. They will be given their own account and password, which they must keep confidential. Students are also given a wifi login and internet use is closely monitored by use of filtering systems.
- All students will be required to sign a form (Acceptable Use Policy) agreeing to abide by the college rules and guidelines relating to computer use, including the use of personal laptops and mobile devices in college in line with the Bring Your Own Device (BYOD) Policy.
- Internet safety is covered within PSHE (Personal and Social Education) and RSE (Relationships and Sexual Education) lessons and via assemblies and induction.

7.4 Litter

- Students are strongly urged to help look after the site by not dropping litter, by picking up litter themselves and by alerting staff to damage or breakages.

7.5 Mobile Phones

- Mobile phones should not be seen during lessons and college meetings and under no circumstances be taken into the examination room.
- Mobile phones are regarded as unauthorised material in the examination room and possession will result in examination disqualification.
- The use of personal mobile devices is subject to the IT Acceptable Use Policy.
- Use of mobile phones in lessons is at the discretion of the member of staff leading the lesson.

7.6 Uniform

- All students are familiar with the appropriate code of dress and uniform expectations as outlined to them clearly within pre-arrival materials induction and

also within the college student handbook. There is no excuse for students to not be in correct uniform on a daily basis, unless a medical certificate has been given for sustained injuries such as fractures or ligament issues which may involve students having to wear different attire for a short period of time. These circumstances however are classified as exceptional.

- If students are spoken to on more than one occasion regarding their uniform, they may be required by their Head of House to attend a college detention. If the student is spoken to on a second occasion and the issue has not been remedied and no extenuating circumstances are present, then the student will be issued with a verbal warning and will be subject to the behaviour sanctions as outlined within this policy.
- For security reasons lanyards containing student identification cards must be in person at all times. Students are made aware to report any suspicious persons to staff, or anyone not wearing a staff lanyard. All students must also wear their lanyards at all times.

7.7 Vandalism and Damage to Property

- The college will not tolerate any intentional abuse, damage or destruction to its facilities such as structure i.e. walls, furniture, Electronic Entry Reader or any other item of college property/facilities (including accommodation and any external gym facilities).
- Students seen vandalising will have their deposit forfeited for the relevant amount.
- If a student is found to be responsible for vandalising books or any other fixtures, fittings or items on any college owned premises, then their deposit will be forfeited the relevant amount and any extra charge will incur.

7.8 Work Observations and non-college Commitments

- Students who are found to be acting inappropriately during their work observation will be disciplined according to this policy and risk being given no further assistance in future work observations.
- Students must consult their Head of House before taking a non-college commitment which is likely to make heavy demands during term time.
- The college reserves the right to review the matter should it become apparent that the student's progress is being compromised.
- Under no circumstances should a non-college commitment interfere with college commitments.

8.0 Behaviour Sanctions (i) Warnings

- 8.1 The college expects, and rewards, good behaviour from all students. It also recognises the role and importance of a clear sanction process to address and reform poor behaviour.
- 8.2 As a college we reject the use of corporal punishment.
- 8.3 All disciplinary investigations and actions take into consideration any additional learning, safeguarding or welfare needs of the student.
- 8.4 In the event of poor behaviour, the Head of House of the student(s) concerned seeks to gain an understanding of the behavioural issue through conducting a Behaviour Investigation. This is done through interrogating iSAMS and other logs of behaviour, liaising with relevant staff and conducting student interviews when necessary.
- 8.5 The Head of House takes notes of all findings of the Behaviour Investigation and creates a report.
- 8.6 The Head of House decides on the next course of action, taking advice from senior staff as appropriate. The outcomes include: no further action; an informal meeting with the student; a submission of the Investigation report to Senior Management.
- 8.7 Members of senior management, to include the Head or Principal, will consider the Investigation report during a Senior Management Meeting. They then judge whether to: issue a Verbal or Formal Warning; initiate a Disciplinary Hearing; or to take no further action.
- 8.8 Warnings are issued as below:
 - The lowest tier of warning is Verbal Warning (VW). This is also issued if a level two Boarding Sanction is reached.
 - A second Verbal Warning (VW2) can be issued, for example, if further offences occur.
 - Verbal Warnings are issued by the Principal and are recorded on the student's file and are communicated to the student's parents.
 - A Formal Warning will be issued if yet further incidences of poor behaviour are reached, if a level three Boarding Sanction is reached or in the event of a more serious breach of discipline. A Formal Warning may be issued without prior Verbal Warnings in the event of a serious breach of discipline.
 - A Formal Warning is delivered to the student in a face-to-face meeting (where possible) with the Principal. Parents will be notified in writing.
 - A CSFC Cambridge Behaviour Contract will also be issued at the formal warning stage, which will be reviewed over a four-week period. CSAs will be placed on a Pastoral Support Plan in order to make every attempt to reduce poor behaviour.
 - If, after this four-week period, the student continues to show poor behaviour, a meeting will be held with Senior Management to review the student's attitude and

commitment to CSFC Cambridge. The outcome may be: a recommendation to subject the student to a further duration of a Behaviour Contract or Pastoral Care Plan; a second Formal Warning; escalation to a Disciplinary Hearing (see below) or no further action.

- 8.9 If the Principal decides that an offence is sufficiently serious the college reserves the right to temporarily suspend the student at any stage of the disciplinary process.

9.0 Behaviour Sanctions (ii) Disciplinary Hearing

- 9.1 In the event of a serious breach of discipline, or following continued poor behaviour following Formal Warning(s) (above), a Disciplinary Hearing may be held.

- 9.2 The Disciplinary Hearing is conducted by a Disciplinary Panel, composed of the following members of staff

Principal (Chair of the Disciplinary Panel)

Head of House

A senior member of staff from either CSFC Cambridge or CSFC Cardiff

- 9.3 The Disciplinary Hearing is conducted in the following manner:

- The Disciplinary Hearing will take place within 48 hours of the discipline breach or as soon after that as is practically possible.
- The student and parent will be notified of the date and time of the meeting.
- The student will be notified of the opportunity to present their case at the Disciplinary Hearing.
- The Disciplinary Panel will give full and fair consideration to both the staff and student's report of the incident(s).
- The Disciplinary Panel will make any further enquiries deemed appropriate.
- The Disciplinary Panel will aim to reach a decision within 48 hours of the meeting.
- All parties will be informed formally, in writing, of the Disciplinary Panel's decision.
- Outcomes of the Disciplinary Hearing may include one or more of: a requirement for an act of repentance; Verbal or Formal Warning; temporary exclusion; permanent exclusion; no further action.

- In the event of permanent exclusion, the student will be given an appropriate time frame to make the necessary arrangements to leave the college.

9.4 Appealing exclusion

- A notice of appeal must be lodged with the Principal within ten working days of the date of the recommendation for temporary or permanent exclusion, and must give grounds and brief particulars of the appeal.
- If the appeal is within the above time frame, the Principal will arrange an appeal hearing within 14 working days of the notice of appeal being lodged. The student will be given at least five working days' notice of the time and place of the panel and will be entitled to be accompanied by their parents and Head of House, if they wish (but not by a legal representative in either case). All documents from previous disciplinary events will be reviewed, along with attendance and studentship.
- A Senior Manager, from either CSFC Cambridge or Cardiff, who has had no prior involvement in the case will be appointed by the Principal to hear the appeal, as the Appeal Manager.
- The Principal will attend to present the management case.
- Witnesses for the student and the management may be present and can be questioned by the Appeal Manager hearing the appeal and by the student or management as appropriate.
- If the Appeal Manager hearing the appeal upholds the student appeal they can annul the disciplinary action previously decided or downgrade the disciplinary sanctions.
- If the Appeal Manager confirms the management decision, that decision stands.
- The final decision of the Appeal Manager, which is binding, will be confirmed in writing within five working days of the appeal panel. The decision is considered to be final, however parents may pursue the college Complaints procedure.

9.5 Re-admission to college courses after exclusion

- Any student who has been permanently excluded from the college following a disciplinary hearing and who wishes to re-apply, must disclose that information when applying. Failure to do so would constitute gross misconduct. The Principal of the college reserves the right to decide whether or not to re-admit a permanently excluded student.

9.6 Record keeping

- Notes (not verbatim minutes) will be taken of all the relevant stages of Disciplinary Hearings and Appeals for the college record.
- All documents relating to an individual student's Disciplinary Hearing and Appeal will be held on file until the recommended expiry date of the action, or until such other time as set out in this procedure.

10.0 Strategies to Improve Behaviour

- 10.1 If the student is struggling and genuinely wishes to improve then as part of the contract process for poor behaviour, a Pastoral Support Plan will be utilised in which targets for the student will be set based on the student, their Head of House and members of academic staff. CSA students are always provided with a Pastoral Support Plan in the event of poor behaviour.
- 10.2 Cases are always looked at individually and supportively. Poor attendance and poor behaviour disciplinary actions take into consideration any additional learning need and any safeguarding or welfare concerns.
